Empire Theatre.

An attraction which will doubtless prove the event of the season is "The Ninety and Nine," which comes to the Empire Theatre, Newark, next week, April 11. The play is by Ramsey Morris and has for its theme "One who was out on the hills away," the same as is told in Ira D. Sankey's famous hymn of the same title, and from which "The Ninety and Nine" was written. While this play cannot be classed as a religious drama, it has, nevertheless, a strong religious vein running through it, and this Mr. Morris is said to have treated in a manner wholly reverential and strikingly dramatic. The entire original \$35,000 production will be seen at the Empire, and it bears the endorsement of 102 nights at the Academy of Music, New York.

The marvelous scenic effects are said to eclipse anything Drury Lane ever produced, and one, that of a giant locomotive dashing through a sea of fire at the rate of 65 miles an hour, is the most thrilling ever presented. Matinees on Monday, Wednesday and Saturday.

Work to be Resumed.

By the middle of the month, if the warm, pleasant weather continues, work will be resumed on the new Cedar Grove reservoir for Newark, and an effort will be made by the contractors and all the sub-contractors to finish the big job by fall. The contracting firm is now subject to a forfeit of \$100 a day because the extended time for the completion of the work expired at the end of the year. The frost is rapidly leaving the ground, and soon as it is out far enough for the men to work the soil hundreds of laborers will be sent to Cedar Grove. Three important things remain yet to be done. First, the core wall of the west dam must be built; then the embankments on either side of the wall have to be filled in, and lastly the concrete conduit along the easterly side will have to be constructed. There are other minor things to be done, such as a little more excavation in the bottom of the big reservoir, but these are comparatively insignificant.

The Newark Board of Works Commissioners, accompanied by Engineer Sherrerd, will make a trip of inspection to Cedar Grove as soon as the work has been fully resumed.

Belleville's Fire Alarm.

The Belleville Board of Fire Commissioners concluded Thursday night to defer for two weeks final action on the proposed installation of a new fire alarm system in that place. This course was decided upon after a prolonged discussion, during which it was reported by several of the commissioners that there seemed to be a misunderstanding on the part of taxpayers of the township as to the purposes of the board with regard, especially to the amount of the appropriation to be recommended.

OUTDOING EXPECTATIONS.

We are always glad to print in the CITIZEN a story about a remarkable success achieved by advertising, and especially so when the article advertised is one of superior merit.

Not so very long ago W. W. Keyler, one of Bloomfield's most enterprising druggists, succeeded in getting the Dr. Howard Co. to allow him to sell their Specific for the cure of constipation and dyspepsia at half price, as an introductory offer.

The results of this advertising have been phenomenal, and there has been hardly a week without W. W. Keyler being obliged to order fresh supplies.

Such was his confidence in the remedy that he personally guaranteed every package of the Specific that he sold, and agreed to refund the money if it did not cure. His faith was well founded, for out of the hundreds of packages he has sold, only one has been returned.

W. W. Keyler in commenting upon the great success that followed the adoption of his suggestion, not only in Bloomfield, but in other places, showed the CITIZEN a letter from D. F. Davis, of Barre, one of the best known druggists in Vermont. Mr. Davis wrote: "The success of Dr. Howard's Specific in our city is wonderful. I received my first consignment the last of July, and since then have sold hundreds of packages, and cannot get it fast enough to keep my customers supplied. I have not had a single bottle returned, although I have guaranteed every one, and have heard nothing but praise of its merits. This is a record unsurpassed by any remedy that I have sold in the twenty-five years I have been in the drug business."—Advt.
